Initial Results
- Partnership

February 2019

Welcome

Welcome to the second issue of Career4Women project newsletter. This issue provides a brief report of the project activities and work in progress.

Meetings

1. Feedback on the development of the system meeting (24-25.05.2018) - The proposed model was discussed and analyzed. Technical analysis of the portal was performed and recommendations were made. Quality evaluations were shared. Meeting was organized by SAN and took place in Lodz, Poland.

“This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.”

(Project No: 2016-1TR01-KA204-035306)

We encourage you to stay connected to receive regular updates about the project's progress through our demo project website:
